# Logomark

The SSLG logomark features a twin image that combines:

- **Raised fist** for resiliency and power
- **Lightbulb** for creativity and innovation

These symbols reflect the organization's core values.

## Wordmark

---

The SSLG wordmark blends the name of the organization, 'SSLG', with the logomark, which replaces the letter 'G'. This highlights the logomark, making it a key part of the wordmark.

# Emblem

The SSLG emblem is designed to complement the school's official logo.

It integrates the organization's name and the school's name within its structure.

At the center, you'll find the primary logo, encircled by three distinct icons that represent the core values of both the school and the organization:

- **Star** for excellence
- **Gear** for industry
- **Globe** for responsibility

# Color Scheme

---

The color scheme is aligned with the school's official colors to maintain brand consistency and reflect the organization's institutional identity.

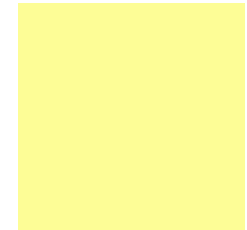

**Maroon**  
#7B1113

**Gold**  
#FCC200

**Redwood**  
#A45A52

**Pastel Yellow**  
#FDFD96

# Typography

The typography includes:

- **Aurora Condensed** for the emblem logo as it mirrors the typeface in the school's logo.
- **Montserrat** for the primary typeface. It is ideal for headings and prominent text for its modern and clean look.
- **Merriweather** for the secondary typeface it is ideal for body text and longer passages for its classic and readable look.

**AaBb**

**Aurora Condensed**
